Each year, nearly 100 million patients across the U.S. access websites like Vitals, UCompareHealthCare, and Patients' Choice to provide feedback about experiences with their physicians.

Only those physicians with near perfect overall and bedside manner scores, as voted by their patients, are selected for the Compassionate Doctor recognition. Of the nation's 870,000 active physicians, only 3% were accorded this honor in 2012.

The Compassionate Doctor certification is part of the Patients' Choice recognition program, where patients rate and vote for their favorite doctors.

Dr. Sanjay Razdan commented on the recognition: "This is quite an honor for me. I am very pleased to have been selected and grateful to my patients who went out of their way to rate me and give me positive reviews."
